

80% of pastors feel unqualified and unable to meet the needs of the job and will become discouraged in their role as pastor and will leave the ministry within the first five years.

Leading by Grace is committed to the coaching & mentoring of pastors, church planters, and market place leaders, and to serving our local churches while providing the Biblical, relational, and practical expertise necessary for leadership development and organizational excellence.

We need you!

- I will pray. Send me your prayer strategy.

Please partner with us as we work to help strengthen the Biblical task of the Pastor to their churches.
